Dear Applicant,

As a member of Bethel we believe that you may be very deserving of participation in Bethel's scholarship program. This scholarship is available to high school graduates or current college or technical college attendees. The requirements for receiving a scholarship are:

- You and your parent(s) or legal guardian must be a member of Bethel United Methodist Church
- Have been accepted at a college/university/tech school for the 2018-2019 school year or be a student returning to college/university/technical school for the school year of 2018-2019

To qualify for a scholarship, please submit the following items:

- An explanation of your goals and how this scholarship will benefit your education.
- For incoming freshman, please submit a letter of acceptance from a college or trade school.
- For returning college or tech students, please submit a copy of your most recent report card.
- The completed Bethel Scholarship Form, attached.

Please submit the above items in a sealed envelope no later than July 14, 2018 to the church office, Attn: Bethel Scholarship Program.

Scholarships are awarded yearly (in August), with a maximum of 4 years, or until an undergraduate degree is obtained, whichever comes first.

The 2018-2019 Scholarship Program has been established as a monetary award of up to \$250.00 per student, dependent upon the number of applications received. The Scholarship Fund was started as a gift from Mary Schalk. Mary and Eddie Schalk were long-time members of Bethel and their worthwhile contribution is still appreciated today through this program and others.

A Scholarship Application Review Committee will review all applications to determine eligibility. Members of this committee are: Jim Baugus, Pastor Dan Brown, Nina Hayes, and a past recipient if possible. This committee will also explore additional funding opportunities.
